

GALERIA PALÁCIO

Selected Works: 2016–2019

October 19, 2019 – March 22, 2020

Galeria Palácio is pleased to present *Selected Works: 2016–2019*, an online collective exhibition that opens the gallery's Viewing Room.

In *Selected Works: 2016–2019*, eleven works previously presented in the gallery in solo exhibitions by Andrés Stephanou, Chiaki Mihara, Emerson da Silva, and Lucas Alves Costa were selected for an online collective exhibition.

O Regime dos Ventos, de Emerson da Silva; *Um lugar para estar*, de Lucas Alves Costa; *Partículas de Luz 1*, de Andrés Stephanou; *Autorretrato (2)*, de Chiaki Mihara — among other works symbolic to the individual exhibitions presented in the gallery — are arranged together on the online viewing platform, proposing a consistent resolution of the eleven individual exhibitions held by the gallery during its three-year period in operation.

Selected Works: 2016–2019 is on view at Galeria Palácio's Viewing Room. For more information about the exhibition, contact the gallery at contact@palacio.xyz.
