

GALERIA PALÁCIO

Chiaki Mihara

Autorretratos

September 22 – December 2, 2018

Galeria Palácio is pleased to present *Autorretratos*, Chiaki Mihara's first solo exhibition with the gallery. A series of six drawings produced with oil pastel on linen is presented.

The exhibition synthesizes Chiaki Mihara's drawing aesthetics and the influence of anime and her Japanese descent on her practice, introducing intrinsically cultural and identity issues.
